

# LUTHERAN WORLD RELIEF BULLETIN

LWML Texas District  
January 20, 2019

Dear sisters and brothers in Christ,

*For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do (Ephesians 2:10 NIV).*

**Greetings, in the name of our risen Lord, Jesus Christ! Blessings to you as you join us in the work of bringing hope and healing to the world!**

Easter is right around the corner and Texas is gearing up for a blessed Lutheran World Relief Ingathering. Texas donated an astounding 19,556 quilts and over 25,000 kits in 2018.

The reporting procedure is not like the last year. A new form found on page 8 will be in bigger print. The new form will be turned in, again, directly to the sites. It provides the exact number of items submitted by each participating group. Human Care reports are no longer used by the district, but feel free to use these in your zones. I will compile and send a complete list of donated items by Texas to LWR. The weight of a box is not an issue and is not required by J.B. Hunt or LWR. However, use common sense and **don't pack a box to weigh over 30 pounds**, because the backs of those volunteers loading and unloading these boxes are at stake. Soap boxes cannot weigh more than 20 pounds.

Make sure your groups follow all directions on page 4 for packing quilts and kits. A guide containing all information and more detailed instructions are included in the LWR Quilt & Kit Ministry Guide 2018-19 available from LWR or on their website, [lwr.org/quilts-and-kits](http://lwr.org/quilts-and-kits). Use **sturdy** boxes, please use common sense and realize that if box is labeled and packed nice, the warehouse doesn't need to repack it for shipping.

Labels for boxes will be easier to fill out because pounds are no longer needed for the trucks or LWR. **However, a LWR Label is necessary. Write all the information and tape it over the entire label so it does not get torn when you put it on the box.** Barcode labels are an awesome way for your groups to track your donations. Go to [www.lwr.org/tracker](http://www.lwr.org/tracker) and follow the directions.

Donations to the Quilt and Kit Shipping Fund (see page 2) need to be sent directly to Lutheran World Relief or LWML Texas District Financial Secretary Frances Molitor. Trimming canceled stamps is another way to raise money for this fund. Stamps can be sent directly to Sara Frank, information for trimming stamps is on page 2. **DO NOT BRING MONEY TO SITE!!!**

The website has numerous resources including a litany for dedication and leader's guides for projects. Fleece tied blankets (for those that might not sew) are a great project. Another way to support LWR is to form Thrivent Action Teams, information is located on [www.thrivent.com/actionteam](http://www.thrivent.com/actionteam). No matter what project you follow, remember to do it out of **LOVE!!**

## LWML Texas District STAMPOREE PROJECT

**All Proceeds go to Lutheran World Relief  
Quilt and Kit Shipping Fund**

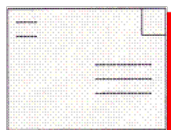

Anyone can contribute to the Stamporee Project by sending cancelled stamps to the stamp chairman instead of discarding them. Ask your congregation, family, neighbors, friends and co-workers to save their stamps for you. Ask your LWML to give stamps to your zone president to bring to the stamp chairman to save money on mailing them.

Place stamps on envelope in the upper right-hand corner, allowing 1/4-inch space on each edge.

RIGHT:

WRONG:

Use commemorative or high value stamps to mail packages and ask the recipient to save the stamps for you!

Send stamps/envelopes to:

**Sara Frank**  
**PO Box 1354**  
**Kyle, TX 78640**

*saralfrank@yahoo.com*

Please put LWML in the subject line.

Stamporee Assistant: Mary Dobrasko

Stamps need not be trimmed or removed from envelopes. If trimming envelopes, leave at least 1/4-inch around stamp. Sorting into categories or weighing is not necessary. **DO NOT SOAK OFF!** Damaged stamps are those that are torn or the perforations have been destroyed. If in doubt, send them to the stamp chairman to be assessed.

The stamp chairman is available to give programs, answer questions and establish training sessions.

- Boxes of soap should weigh no more than 20 pounds. Remember - **only NEW, WRAPPED BARS** are acceptable.
- **Please completely fill boxes or cut to fit packed goods** (try sitting on the box, it should not collapse). Volunteers at the collection site will have to repack any box that is not full.
- Tape boxes securely with mailing or strapping tape all around the holes, corners, and anything else that is not closed. **NO MASKING TAPE, PLEASE!**
- Sort goods, packing one type of item per box, counting the items (except soap, it is weighed). Keep a record of packed items for filling out your LWR report.
- **PLACE BOX CONTENTS and RETURN ADDRESS ON LABEL.** You may duplicate and fill in the enclosed label. If you make your own, please be sure all information is included. Securely tape all labels to the boxes.
- Write in large, block letters LWR and contents of box on all sides of the box with a marker.
- If you choose to track your quilts or kits (and we sure hope you do!), please include a barcode on the inside and outside of your box. Go to [www.lwr.org/tracker](http://www.lwr.org/tracker) for instructions on tracking.
- If you combine shipments with other churches in your area, please:
  - Keep track of information from the participating churches and provide it to the site chairman.
  - Do your part to share the work, time, finances, and JOY with the other churches involved. Be sure everyone clearly understands the plans.
- Know that your efforts will be blessed by God in His service. Thank you for your help with the details!

*Be sure to check with Central Freight and other local carriers who have carried items free of charge to our past drop-off sites. Demonstrate our Christian love to all who help us and extend our thanks.*

# LUTHERAN WORLD RELIEF KITS

Lutheran World Relief Quilt and Kit Ministry Guides are available!

To order brochures or other resource items from LWR, call 1-800-LWR-LWR2.

The LWR website, [www.lwr.org](http://www.lwr.org), has many resources, including videos on how to pack the personal care kits, detailed instructions to print for participants, and signs for completing projects. Use the Get Involved tab to locate information or contact the Vice President of Human Care at [humancare@lwmltxdist.org](mailto:humancare@lwmltxdist.org) for assistance.

## **PERSONAL CARE KITS**

## **SEE SHIPPING FUND INFORMATION**

When natural disaster strikes or political conflict flares, families often have little chance to gather their belongings before fleeing the danger. They arrive in a refugee camp or other place of safety scared, vulnerable and dirty from the travel. The simple items included in a Personal Care Kit allow them to wash away the dirt and sweat, with the fresh scent of soap and the softness of a towel as reminders of someone's care and concern for them in their plight.

Review the General Assembly Instructions before collecting items for the Personal Care Kits.

Include the following items in each Personal Care Kit:

- One light-weight bath-size towel (approximately 20" X 40" to 27" X 52"), dark color recommend
- Two bath-size bars (4 to 5 oz.) of soap, any brand, in original wrapping
- One adult-size toothbrush in its original packaging\*
- One sturdy comb (no picks or fine-toothed combs), remove package
- One metal nail clipper (attached file optional), remove packaging
- \*Toothbrush multi-packs may be used by sealing an individual toothbrush in a business envelope;
- No plastic bags or wrap. DO NOT INCLUDE TOOTHPASTE!!!

Do not add other items or leave out any of the items listed. All items should be new and in good condition. Wrap all items in the towel and tie securely with ribbons or yarn. Do not enclose the Kit or any of its contents in plastic bags.

## **SCHOOL KITS**

## **SEE SHIPPING FUND INFORMATION**

Education is important for any community, especially where poverty or disaster has limited the options for young people to reach their potential. School Kits contain essential supplies to help children-and in some cases, adults-continue learning despite the hardships they face. And that learning leads to a better life for them, their families and their communities.

Review the General Assembly Instructions before collecting items for the School Kits, including options for ordering backpacks or sewing them.

Include the following items in each School Kit:

- Four 70-sheet notebooks (280-300 sheets total) of wide- or college-ruled paper approximately 8" X 10 1/2"; no loose-leaf paper
- One 30-centimeter ruler, or a ruler with centimeters on one side and inches on the other
- One pencil sharpener
- One 2 1/2" eraser
- One blunt scissors (safety scissors with embedded steel blades work well)
- Five unsharpened #2 pencils with erasers; secure together with a rubber band
- Five black or blue ballpoint pens (no gel ink); secure together with a rubber band
- One box of 16 or 24 crayons
- One sturdy drawstring backpack-style cloth bag approximately 14" X 17" with shoulder straps (no standard backpacks)

Do not add other items or leave out any of the items listed. All items should be new and in good condition. Remove any excess packaging, pack all items in bag and close. Do not enclose the Kit or any of its contents in plastic bags.

## **FABRIC KITS**

## **SEE SHIPPING FUND INFORMATION**

Sewing is a valuable skill, one that leads to a reliable income for many women and men. Fabric Kits supply vocational training programs with fabric for teaching sewing, and for newly trained tailors to launch their sewing businesses.

Review the General Assembly Instructions before assembling Fabric Kits.

Include the following items in each Fabric Kit:

Two pieces of cotton or cotton-blend fabric (no knits or 100% polyester); fabric should have no stains or holes and be cut into pieces measuring:

- 2 1/4 yards of 60" wide fabric, or
- 3 yards of 44" wide fabric, or
- 4 yards of 36" wide fabric

Two spools of matching or neutral-colored general-purpose thread, 250-300 yards each

Fold and roll each piece separately (rolling thread inside one piece of fabric), bundle together and tie with a piece of yarn, sturdy string, ribbon or strip of fabric. Do not enclose the Fabric Kit or any of its contents in a plastic bag.

## **BABY CARE KITS**

## **SEE SHIPPING FUND INFORMATION**

Bringing a baby into the world can be a difficult and scary thing for a mother living in poverty. She worries about her baby's health and well-being when there is a lack of money to buy the things every mother wants for her newborn. The items included in a Baby Care Kit provide the things a mother needs to care for her baby the way she hopes to-soft blankets to give warmth and comfort, soap to keep germs away. Lack of something to dress her baby in often keeps a mother isolated from her community, but the clothes in a Baby Care Kit welcome both mother and baby out into the world.

Review the General Assembly Instructions before collecting items for the Baby Care Kits.

Include the following items in each Baby Care Kit:

Two lightweight cotton t-shirts (no Onesies)

Two long- or short-sleeved gowns or sleepers (without feet, this gives room for growing babies)

Two receiving blankets, medium-weight cotton or flannel, or crocheted or knitted with lightweight yarn, up to 52" square

Four cloth diapers, flat fold preferred

One jacket, sweater or sweatshirt with a hood, or include a baby cap

Two pairs of socks

One hand towel, dark color recommended

Two bath-size bars (4 to 5 oz.) of gentle soap, in original wrapping

Two diaper pins or large *safety* pins

Do not add other items or leave out any of the items listed. Gently used, clean items (no stains or tears) can be substituted for new ones. Wrap items in one of the receiving blankets and secure with diaper pins. Do not enclose the Kit or any of its contents in plastic bags.

Tips for Baby Care Kits:

Sizes up to 24 months may be used. Varying the sizes of the clothing items included will make the Baby Care Kit useful as the baby grows. Sweaters may be knitted or crocheted from leftover yarn or made from heavy double knits or fleece. Select a pattern that suits your skill level. Preferred styles have buttons or ties down the front.

Diapers can be made from flannel or even by recycling t-shirts.

If knitting or crocheting receiving blankets, including one knitted/crocheted blanket and one flannel blanket will provide maximum versatility.
