## LWML TEXAS DISTRICT

### Endowment Funds

The LWML Texas District has three endowment funds administered by Legacy Deo. All gifts contributed are invested. As the endowments' principals increase through giving, we receive more in annual distributions. The distributions received from these funds are directed to the specific purpose of each fund. The establishment of these endowments which will exist in perpetuity is testimony to our resolve to continue our mission work sharing the love of Jesus until He comes again. Please remember the importance of supporting the endowments as you serve in your LWML groups, in your personal giving commitments, and especially in your prayers for God's blessings on mission efforts.

The Scholarship Endowment (EN057) provides scholarships for women from Texas District LCMS congregations whose studies lead to full-time professional church work at an LCMS university. It was created in celebration of the 50<sup>th</sup> anniversary of LWML Texas District in appreciation for its role in enabling local LWML groups to accomplish far more for our Lord's kingdom and for His church than would otherwise have been possible and to respond to the need for a continual supply of professional church workers. The initial contribution was made on June 29, 1990, in the amount of \$1,877.83 from an offering at the convention. One to six scholarships have been awarded every year since 1992.

Recipients are selected by the District Scholarship Endowment Fund Committee. For more information on eligibility for scholarships and how to apply, see the scholarships section of the *Leader's Manual* or on the website at [lwmltxdist.org](http://lwmltxdist.org) (about us, scholarships).

The Mission Inreach Endowment (EN165) provides funds to assist LWML Texas District members through spiritual enrichment, member development, and leadership training. This fund was established with an initial gift of \$1,830.63 on July 29, 1998. In recent years it has offset the costs of the Zone Presidents Orientation held every two years to provide training and orientation for the zone presidents. Income from this endowment replaces funding that previously came from mites. The District Executive Committee makes decisions concerning the annual distribution amount.

The Mission Goal Endowment (EN334) was established on December 12, 2020, with \$16,546.33 in gifts and additional funds from the Elsie Smith Endowment. Income from this endowment contributes towards the LWML Texas District mission goal which is the amount needed to fulfill mission grants and other work of the district to accomplish its mission. Income from this endowment is directed by the District Executive Committee with a primary emphasis on mission grant funding.
