Committee Chairman

The LWML Texas District Scholarship Endowment Fund Committee selected six young ladies to receive scholarships this year. Five recipients will receive \$1,000 for the 2019-20 school year.

Megan Harcrow, a Concordia University Texas student who is graduating this year, will receive \$600 for the fall semester. Megan stated, “This scholarship is always the

difference in my ability to attend Concordia.”

We are grateful to be able to help these young women who are all studying to become full-time church workers in the LCMS. We pray that our scholarship endowment fund will increase so that we can continue to invest in these young women who are dedicated to the growth of Christ’s kingdom and the mission of the LWML.

Please keep them in your prayers as they learn and serve the Lord.

## FROM THE PRESIDENT

### Women in mission ‘follow the leader’

The leadership team of LWML Texas District attended Assembly of Leaders training — Follow the Leader — in February. The zone presidents and executive committee are now sharing this training throughout the district at zone events. As we Follow the Leader, Jesus will be our focus and we will follow His lead as we encourage one another and equip ourselves to share His mission. Follow the Leader presents practical leadership ideas, inspiration and hands-on activities.

If you have attended an event, the next steps include presenting the information to your congregation. If your zone has not yet hosted an event, contact your zone president. Thank you for sharing the valuable work accomplished by God’s grace through the LWML!

“What you have learned and received and heard and seen in me—practice these things, and the God of peace will be with you.” — **Phil. 4:9**
