

There are three ways to make immediate gifts to the LWML Texas District endowments:

1) Send a check payable to Legacy Deo, 7900 East Highway 290, Austin, TX 78724

A gift to either or both of the endowments is a meaningful way to honor or remember a loved one or LWML member. All honorarium and memorial gifts will be acknowledged both to the donor and to the person or family member you designate. Please furnish addresses for those you wish to receive notification of your gift. Also, be sure to designate in your check's memo line which endowment is to receive your gift. Account EN057 = Scholarship; EN165 = Mission Inreach.

2) Give online at www.legacydeo.org

Use the description box to designate your gift by account and to furnish information for an honorarium or memorial.

3) Send a check to LWML Texas District designating your gift to the endowment(s) of your choice

Envelopes for that purpose are available from the LWML Texas District Financial Secretary. If you so choose, the Financial Secretary will notify the person you indicate if you are making an honorarium or memorial gift.

Legacy Deo's mission

Continuing the Legacy

The next 75 years . . . and beyond

Since 1942, the women of the LWML Texas District have worked tenaciously to preserve and enhance their mission work that is crucial to sharing the love of Jesus with the world. Two endowment funds established by the LWML Texas District give testimony to the resolve with which this work must continue until Jesus returns.

LWML Texas District endowments are administered by Legacy Deo, a charitable foundation affiliated with the Texas District—LCMS.

LWML Texas District Scholarship Endowment

In 1992 LWML Texas District celebrated 50 years of God's grace — reflected by the giving of time, talent, and treasure to further His Kingdom. In honor of blessings bestowed upon the LWML Texas District, the Scholarship Endowment was established to help provide women workers for the Lord's Church.

Today, the principal in the endowment is approximately \$200,000 and continues to grow. More than 90 scholarships have been awarded to date.

Income produced by the invested principal provides scholarships for women enrolled in a course of study leading to full-time professional church work in The Lutheran Church—Missouri Synod. Recipients are selected by a committee of the LWML Texas District.

LWML Texas District Mission Inreach Endowment

The Mission Inreach Endowment operates behind the scenes of LWML Texas District mission efforts. Income from this endowment is used primarily to assist in preparing leaders for their roles. The Mission Inreach Endowment was established in 1998 to assist LWML Texas District members through spiritual enrichment, member development, and leadership training opportunities.

Income from this endowment replaces funding for activities that previously came through mites contributed by LWML Texas District members.

Because of the endowment, a larger proportion of Mites can be allocated to mission projects. The principal in this endowment exceeds \$52,000.

Extending the Opportunities

As with all endowments, larger principal means greater income is available to fulfill the purposes of the endowments. In 2017, the LWML Texas District concluded a multi-year campaign that received both planned and immediate gifts to these endowments. Planned gifts are those provided for by wills and estate plans, or by beneficiary designations made on insurance policies, IRAs, other retirement accounts, and savings accounts. The campaign provided a tremendous boost to both endowments. To learn more about a planned gift, contact Legacy Deo in one of the ways described on the front of this brochure.

Growth of these endowments must continue in order to stay ahead of the rising costs of education and leader training. Please remember the importance of supporting the endowments as you work in your LWML societies, in your personal giving commitments, and especially in your prayers for God's blessings on mission efforts of the LWML Texas District.
