Continue the Legacy

The next 75 years . . .
and beyond

Since 1942, the women of the LWML Texas District have tenaciously worked to preserve and enhance our mission work that is so crucial to sharing the love of Jesus with the world. The establishment of two endowments by the LWML Texas District is testimony to our resolve to continue this work until Jesus comes again.

LWML Texas District endowments are administered by Legacy Deo, a ministry of the Texas District—LCMS.

TODAY'S OPPORTUNITIES

In 2017, the LWML Texas District concluded a multi-year campaign that received both planned and immediate endowment gifts. Planned gifts are those that are provided for by wills and estate plans, or by beneficiary designations made on insurance policies, IRAs or other retirement accounts, and savings accounts. The campaign provided a tremendous boost to both of these endowments. To learn more about a planned gift, contact Legacy Deo in one of the ways described on the back of this folder.
