FEATURED SPEAKERS

Deb Burma

Our hope in Christ is “a sure and steadfast anchor of the soul” (Heb. 6:19). We are secured by the Anchor who holds us steady under sunny skies and in stormy gales. In Jesus, our hope is unsinkable. We’re never adrift but carried safely from shore to shore.

Don Hoehne

Who and what is RioMAC? What is the RECONNECT to the Body of Christ story? We’ll tell y’all where the Reconnect to the Body of Christ light took us, what the path has led us to, and why Christ is Our Anchor.

Staci Geiger

Staci’s son was born with essentially half a heart. He had five surgeries before he was five months old. Staci has established Daniel’s Lion Heart Foundation, which seeks to support families with a child with a congenital heart defect. Staci shares her journey and how her organization brings the hope of the Gospel to families nationally.

Your Mites in Action in Tanzania

Former LWML President Jan Wendorf traveled to Tanzania and witnessed the work that you helped fund through several LWML mission grants. Hear her stories and see the photos of people impacted by gifts of quilts, kits and mites. Be encouraged and energized to share God's love in Christ Jesus.

How Big is Your Anchor?

Jan Brunette is a speaker and author with a passion to share the love of Jesus Christ with as many women as possible. Jan reveals that the sure and steadfast hope in Christ as our anchor is never altered by the size of the ship or our imagined perspective of Him as our anchor. After all, He is the same yesterday, today and forever (Heb. 13:8).

What the LWML Group of 2020 Looks Like

Eloise Kuhlmann and Cheryl Mattil have served as LWML members, officers and consultants and consider the LWML to be the best mission opportunity in our church body. The LWML mission and purpose has remained strong since its inception. But the shape, structure and look of the local LWML has changed as each generation claims the purpose and mission as its own. Looking for ideas to make your group more productive and relevant in 2020 while fulfilling the mission? Let us help!

AROUND THE DISTRICT
