

“Lord of the Nations” Ps 33:12-13 LWML Convention 2023

This convention was an exciting and Spirit-filled time!

From the opening worship to the closing service, we heard about our Lord of the Nations! He is Lord of all peoples, of all times and all places.

We heard from missionaries in far-off lands and in our own country. We heard from unbelievers whose hearts changed because of hearing the Gospel message. We heard about houses built and food and water supplied to the ends of the earth. We heard of uplifting messages sent to the sick and dying. All of this is because our mites planted the seed, but God made them grow to further His kingdom.

The speakers were powerful-sharing the Gospel message -Rev. Dr. Gregory Seltz -Keynote speaker-Lutheran Center for Religious Liberty, Rev Dwayne Lueck- President of the North Wisconsin District, Rev. Doua Xiong-Missionary at Large in the San Joaquin Valley to reach the Hmong people; Rev Dr. Steven Schave – Exec Dir. Of LAMP ministries, Kaye Wolff- Bible Study Leader-VP of LWML Special Focus Ministries, and many more. These speakers emphasized how our fallen world needs the Lord of the Nations and the saving grace of Jesus.

There were over 3500 Lutheran Women in Mission in attendance in Milwaukee. Attendees showed so much fellowship, love, and friendship to each other. These women in mission are now equipped to serve and spread the Gospel through service and mites. God blessed the group with fun times, worship, tears, and laughter! There was entertainment with comedy and music, skits, and drama.

For me personally, this convention renewed my commitment to the LWML. God has blessed our work through our mites and service to our local churches and communities. It was fun to run into people I hadn't seen in years. Learning about all the Lutheran entities, missions, schools, radio stations, and organizations that serve the Lord and are part of the Lutheran Church's mission around the USA and the world was essential. I truly enjoyed traveling with my Texas friends and sharing time with each one of them. If it is in God's plan for you, I hope you will attend an LWML Convention -either a Texas District LWML or a National Convention!

Cheryl Wawrzyniak

Former Zone President
