Let's flood the CHI Convention Center, Omaha, with daisy yellow and smiles. Wear them Sunday morning, June 29, in the convention hall. Everyone wearing the shirt will flood the aisles when they hear the cue. We will sing, cheer, and get everyone excited to visit the Modern Frontier, Oklahoma City, July 8-13, 2027.

Please do NOT wear the shirts at the convention before Sunday, June 29. We want them to be a surprise.

After Omaha wear them to zone and district events. Share your excitement with others. Answer questions about the upcoming 2027 convention. Bring to Oklahoma City with you as part of special dress the first day. That's a lot of mileage for a \$7 shirt.
