

## Mites in Action Speakers

Steve Harris is Assistant Branch Manager of Orphan Grain Train–Houston. A native Texan and University of Houston chemistry graduate, he spent over 30 years as a laboratory director and now works as a consultant.

Steve and his wife, Holly, have three sons and serve together on the Lutheran Early Response Team and the Orphan Grain Train–Houston board. He has deployed to disaster sites in

Texas, Louisiana, and Florida, and has dedicated more than 25 years to Pasadena Habitat for Humanity.

In 2018, Steve helped establish the Houston Orphan Grain Train branch and oversee construction of its Pasadena warehouse. Steve and Holly look forward to continuing their service into retirement.
