

Enrichment Speaker
Kayla Winkler

Are you enjoying the monthly Bible study and weekly meditations on our website? Then, you are in for a treat. One of our enrichment speakers will be the author, Kayla. If you attended one of the district retreats in September and October, you were exposed to a glimpse of the energy and passion she has for sharing God's Word and prayer. She currently teaches theology courses at Concordia High School in Pflugerville, Texas. We are so excited to have Kayla share her passion for prayer with us.
