Summer's almost here!

Who does not enjoy a celebration? The LWML is planning one for June 22-25, when the **40th Biennial Convention** will meet in Milwaukee. Under the theme "Celebrate the Lord of the Nations," attendees will celebrate our Lord through Word and Sacrament, honor God by serving our neighbors, and proclaim His message to the nations.

Please keep the LWML Board of Directors and Host Committee in your prayers as they finalize the plans, and pray for all who are preparing to attend. May the Lord bless this time together as women from across the nation worship, study, complete service projects and conduct business, while all the time relying on God's plans. May Lutheran Women in Mission remain a faithful, vibrant instrument in the sharing of the Gospel with the world.

The summer months are fast approaching, when historically the **mite offerings** take a rather large drop.

Many groups do not meet in summer, but please do consider other means of gathering your mites to enable the district to continue to fund the mission grants. Remind your members of the option to donate online through PayPal or with a credit card. There is a form available at lwmltxdist.org/about-mites that can be printed and sent to Kathy Walther, financial secretary, providing her with the information to direct the gift as intended.

At the time of this writing, we are behind in mite offerings, but not by much. The Lord continues to lead our members, and support our groups and individual givers to share graciously with others as we continue to proclaim Christ, support missions and serve others.

May we all, being bold in hope, continue in the Word, lifting all things to God our loving Heavenly Father, and share the everlasting hope with any and all people.

WANTED: Mission Grant proposals

From the first grant in 1943 — \$1,000 to Concordia College Chapel, Austin — millions of dollars have been received to fund LWML Texas District mission grants. Many of these mission grants became realities because one LWML member or one LWML group learned of a need and made the effort to do something special — submit a mission grant proposal to fund the project.

Who may submit a Mission Grant proposal?

Any member, group or zone of the LWML Texas District may submit a proposal for consideration. The organizations and recipients being considered for an LWML Texas District mission grant must be sponsored by one of the above. The member, group or zone will serve as the official submitter of the mission grant proposal.

When is the deadline for submitting a proposal?

Proposals for the 2024 LWML Texas District Convention in Corpus Christi may be submitted electronically, but hard copies need to be received by LWML Texas District Vice-President of Gospel Outreach Patti Samsel by Nov. 1.

It is highly recommended for ministries to communicate with Patti by Oct. 1 at gospeloutreach@lwmltxdist.org to let her know of your intentions.

More information and mission grant proposal documents are available at lwmltxdist.org/mission-grant-proposals. Please share this information with others in your area!

GREAT IS HIS Faithfulness!
