Subscription Information

Orders are submitted annually using the annual membership report form, available from the District Vice President of Organizational Resources (and on the website). **ALL subscriptions MUST be renewed annually.**

Pricing is determined by the number of subscriptions ordered. Quantities of fewer than ten subscriptions will be charged the individual rate of \$7.50 per subscription. Orders of 10 or more subscriptions are \$6.50 per subscription.

The large-print issue is published through the Lutheran Braille Workers. Large print subscriptions are ordered separately and do not qualify for bulk mailing lists, so they are mailed separately and may be received at a later date. They do not include any pictures, so it is suggested a regular subscription is ordered in addition to the large-print version. A donation of \$1 per subscription is collected by the district.

Subscription orders and payment are submitted to your zone president at the same time as the annual membership report. Checks are to be made payable to LWML Texas District. Funds for additional orders during the year are submitted directly to the District Financial Secretary.

The deadline for orders is **November 1** of each year. Subscriptions run on a calendar year and back issues will not be shipped for late submissions.

Increases to subscriptions may be made at any time throughout the year at the annual rate; however, decreases can only be made at the time of the annual subscription.

Each group is encouraged to order extra for non-LWML women of your congregation. If you are not getting the *Quarterly* you are missing out on an excellent publication.

All bulk subscriptions are mailed to groups at the church mailing address, unless an alternate address is requested.

Individual members must annually submit their orders with the membership form.

Any questions on subscriptions should be handled by the LWML District Financial Secretary or her appointed coordinator. **Do not contact the LWML office in St Louis.**

The Quarterly Resources on LWML Website

While you are encouraged to order the subscription to get the full print copy, select articles or portions of articles from each issue of the *Quarterly* are available for reading at lwml.org/Lutheran-womans-quarterly.

A leader's guide for the Bible studies found in each issue is available as a free download to save to your computer and print. These tools enable anyone to lead the Bible studies with their group.

After one year has passed, complete versions of past issues will be available for online reference. Using the search feature on lwml.org is the easiest way to find *LWQ* past issues, articles or Bible studies.
