RE: 2027 INDIVIDUAL MEMBERSHIP REPORT

PLEASE READ CAREFULLY AS FORMS HAVE BEEN REVISED AND SOME PROCEDURES ARE NEW.
COMPLETE THE INFORMATION PROMPTLY AND RETURN NO LATER THAN OCTOBER 20, 2026.

1. **NEW** - Complete **both** portions of the Individual Membership Form. **Return the upper portion of the form to me** and the lower remittance portion, along with your payment, to the **Quarterly Coordinator**. I will send your membership form to the Vice President of Organizational Resources along with all zone membership reports.
2. All *Quarterly* subscriptions must be renewed annually using the Individual Membership Report form. This applies to all Individual Members (new AND continuing). Indicate the quantity of subscriptions you want at a cost of \$8.00 each. Subscriptions will only be activated after payment is received. Subscription quantities can be increased at any time throughout the year by contacting the *Quarterly* Coordinator at financialsecretary@lwmltxdist.org. Decreases can only be made with each new subscription year. (The *Quarterly* is an excellent publication and a great investment. Consider ordering an extra copy to share or give as gift.)
3. You are encouraged to make a donation to offset the cost of publishing the *District News* section of *The Lutheran Witness*. The cost to the LWML Texas District is approximately \$1 per member each year. Your donation helps us avoid using mite money to cover this expense. Be sure to indicate the amount you are donating on the remittance form.
4. **NEW:** Send the lower, remittance portion of the 2027 Individual Membership Report along with your payment directly to the Quarterly Coordinator as per the instructions on the form.
5. Please sign the report and keep a copy for your records.
