**VISION STATEMENT:** As Lutheran Women in Mission, it is my heartfelt prayer that our mission work becomes more widely recognized. By increasing awareness, we can expand our mission efforts and provide greater support to those in need. I also pray that each woman in our organization fully utilizes her unique talents to serve God. May we do so with joy and gladness, reflecting our faith and dedication in every action. Additionally, I pray that we continue to study God's word and encourage one another. As we support each other, let us remain united in our commitment to serve the Lord faithfully.
