VISION STATEMENT: As Lutheran Women in Mission, we reflect His love for us by serving others and sharing the Good News with everyone. Summarizing Romans 12:9–12, we should sincerely love and serve others, hate evil, be fervent in the Spirit, and serve the Lord. We try to live out this exhortation from Paul, by supporting missions that serve the human and spiritual needs of people. With the help of God, I will continue to serve the LWML to the best of my ability.
