Dear Lutheran Women in Mission,

Have you ever wished your friends, family, or coworkers could experience the love of Jesus—but weren't sure how to make that connection? I recently went through the Evangelist Training Series offered by the Texas District LCMS. As a result, I am so excited to share this amazing opportunity with all of you! Are you ready to take your faith beyond the church walls and into the everyday places God has placed you? Just think what heaven might look like if 250 of us became trained as evangelists!

This 8-session Zoom-based course from the Texas District LCMS equips everyday Christians to confidently share the Gospel and launch new ministries in workplaces, schools, neighborhoods, and beyond.

This training reflects who we are as Lutheran Women in Mission. Our mission is to *joyfully proclaim Christ, support missions, and equip women to honor God by serving others*—and this opportunity helps us live that out.

You'll begin to see your everyday life as a mission field, full of chances to share Christ's love. You'll grow in confidence as you learn to talk about your faith naturally. You'll connect with other LWML sisters who are passionate about serving, growing, and sharing Jesus. And most of all, you'll be equipped to boldly live our mission and help spread the Gospel wherever God leads you.
