Written by: Abby Faske 2014-2016 Texas District YWR Committee

Sing "They Will Know We are Christians by Our Love"

YWR #1: The song we just sang said that "They will know we are Christians by our Love," but how do you show love?

YWR #2: Do you show love by saying "love you" when you are about to hang up with a family member on the phone?

YWR #3: Or do you show love by giving a loved one a hug right before you leave them to go on a trip?

YWR #4: Now let's think about outside of your family and close friends. How do you show love to everyone else?

YWR #5: Think about all of the different places that you have the opportunity to show others love.

Grocery Store, Doctor Offices, Church, while you are shopping, at your child's school, work, and so many other places.

YWR #6: God gives us plenty opportunities to show others love, just as he has shown us love.

YWR #7: It say in John 15:9 "As the Father has loved me, so have I loved you. Remain in my love." God is telling us to bring love and joy to everyone you meet.

YWR #8: The Young Women have taken this challenge this weekend. We tried to spread love and joy during the entire convention. From the funny posts in the bathroom, to giving candy grams, to doing something for someone else.

YWR #9: We have documented all of our acts of love to share with you all this morning. Our hope is that some of these acts will encourage you to go out and spread love and joy! Pay close attention to the song that was chosen to play during the slideshow. So sit back, relax, and enjoy!

YWR #10: Do you do everything you do to the Glory of the One who made you? Now we challenge you to go out and spread love and joy to everyone you meet!
