## Lutheran Women's Missionary League Texas District Mite Offering Resources

Looking for a way to support the LWML Texas District Mite Goal? Below are several options for members and supporters of LWML to assist in funding mission grants. For additional information on any of the offering opportunities below, you may contact the Financial Secretary at [financialsecretary@txdistlwml.org](mailto:financialsecretary@txdistlwml.org). More information on mites and the mission grants they support is available at [lwmltxdist.org](http://lwmltxdist.org).

### **Automated Giving**

*JoyfulResponse* is a service provided by the Lutheran Church Extension Fund. *JoyfulResponse* provides both members and supporters an electronic automated mite offering resource. Offering amount and frequency is specified by the supporter. A supporter is not required to be an LCEF investor. The offerings of members will be included in their society's contribution total. For those who are unable to attend meetings regularly or at all, *JoyfulResponse* provides a means of giving regularly and consistently. Please contact the Financial Secretary for the necessary forms.

### **Memorial and Honorarium**

Wish to honor a special person or remember a loved one? All memorial and honorarium mite offerings are designated to stay with the district. The offerings designated to either the Mission Inreach or Scholarship Endowments are deposited into the respective fund. Memorial and honorarium cards and envelopes are available from the Financial Secretary.

### **Thrivent Choice Dollars**

Are you a member of Thrivent? Consider directing your Choice Dollars as a donation to the Lutheran Women's Missionary League Texas District (search for that exact name). Visit the Thrivent website at [www.thrivent.com/thriventchoice](http://www.thrivent.com/thriventchoice) for additional information or call 1-800-847-4836. Can't seem to find the right webpage? You can contact the Financial Secretary and she will walk you through it.

## Endowment Funds

The Texas District has two Endowment Funds with Legacy Deo. All funds contributed remain and the interest from these funds is directed to the specific purpose.

The Mission Inreach Endowment provides additional funds to assist in preparing the chosen leaders for their roles. Less operating costs means more funds for the mission grants. The Scholarship Endowment provides scholarships for women from Texas going into full-time church work fields at an LCMS university or college. More information is available by calling 1-800-880-3733.

## Planned Giving

Planned Giving provides a means of including the LWML Texas District in the distribution of your earthly blessings when the Lord calls you home. These gifts can be designated to one of the endowment funds. Discuss your options with the financial representatives at Legacy Deo by phone at 1-800-880-3733 or by emailing the general inquiries box at [info@legacydeo.org](mailto:info@legacydeo.org).

## Additional Means

Which search engine do you utilize? Instead of the usual ones we recognize, consider using [www.goodsearch.com](http://www.goodsearch.com). For every search, a penny is contributed to the LWML. Earn money for mites while searching by following the simple instructions at [www.lwml.org/more-ways-to-give](http://www.lwml.org/more-ways-to-give).

Shop online? LWML is listed among the many charities to receive a small percentage of your eligible purchases. Popular vendors, such as Amazon Smile and Goodshop offer this service. Please ask, especially if you order often. Follow the simple instructions at [www.lwml.org/more-ways-to-give](http://www.lwml.org/more-ways-to-give).

## Mite Box

And of course, the most recognizable source remains the treasured Mite Box. The Mite Box has encouraged daily offerings and prayers from the very beginning of the Lutheran Women's Missionary League. These little boxes are available free for shipping costs at [www.cph.org/lwml](http://www.cph.org/lwml).

At any time, offerings can simply be made by mailing a check designated as a mite offering to:
