Host at podium: Good Morning Ladies and Gentlemen and welcome to the 38th Biennial LWML Convention here in Frisco, Texas. This 3 day convention brings LWML sisters together from across Texas, they get to select mission projects that they will be supporting financially for the next 2 years and they get to join in praising the Lord through Bible study, worship, and singing! We are going to Sue and Sassy, who are live on the Red Carpet.

Sassy: Thanks Jill! You are right! We are LIVE at the LWML Convention and amongst of the many items of business that this group of ladies accomplishes over these few days, they sure make time to get that singing in and if you close your eyes and listen real close, you can picture angels up in heaven singing those songs and adorned in that LWML purple!

Sue: Ha! We can't forget that purple! We are here waiting for some of the lovely ladies to come our way in hopes to talk to them!

Sassy: Yes Sue! I can't wait! There are so many designers to choose from! I wonder what they have cooked up for our ladies to wear this year! Oh LOOK! Here comes the first limo!

Sue: Oh its _____ from the _____ zone! Here she comes, let's see if she will stop and talk to us!

Sassy: Hi _____!! Can we ask you a few questions?

#1: Sure!!

Sassy: So, I'm loving this outfit! Who is the designer?

#1: Him, with a capital H!

Sue: Aw Him!

#1: No Him, with a capital H!

Sue: So did the designer work with you on your look?

#1: I talked to my designer every day, sometimes more than once a day! I told Him that I needed something that showed my fellow LWML ladies that I am enthusiastic and am willing to help where every they need me!

Sassy: Well _____ we totally love this look, you sure look MITE-T helpful (shake the mite box) to me! Ha Ha Thanks for stopping by and talking!

#1: No problem!

Sue: Wow! She looked great! And the fact that she got to talk to her designer that often is so awesome!!

Sassy: Yes, I don't know who Him with a capital H is, but He has got it going on! (Finger Snaps)

Sue: Speaking of got it going on, _____ from the _____ zone has just stepped on the red carpet!

Sassy: Let's flag her down! Oh _____!

#2: Oh hey Sassy & Sue!

Sue: Hey girl! You have some time to talk to us?

#2: For you two, OF COURSE!

Sassy: First off doll, who are you wearing?

#2: It is a new designer named Yahweh

Sue: Does Yahweh know Him with a capital H? Because they have similar styles!

#2: Ha, you could say that!!

Sassy: So how did Yahweh come up with this design?

#2: Well we did a lot of talking. He told me that he wanted something that I could move in. An outfit that would let me show off my talents.

Sue: And what's that talent?

#2: I have many talents to offer the LWML, but some of my best talents are being flexible and helpful.

Sassy: Flexible huh? I was flexible once! (turn to Sue) She won't be so flexible when she hits 40! (Sue and Sassy high five & laughs)

#2 No Sassy! Not that kind of flexible! Flexible in that I am able to work around people's schedule and help out when and where I am needed.

Sassy & Sue: OHHHHHHHHH!

Sue: That is a great talent and Yahweh did a great job!!!

Sassy: Yes he did! Well thanks _____ for stopping and talking. We will let you head in & get a seat. We heard that _____ is delivering the sermon this morning. That man is SO good, he makes the scriptures sink into my bones and gives me the shivers!!

Sue: Are you sure you aren't getting the shivers from the new A/C unit? I mean _____ is great at what he does, but that new A/C unit must bring air straight from the Artic!

Sassy: We'll just say it's a little bit of both! Well head on in & if you can save us a seat!

Sue: She was so nice!

Sassy: Yes she was, but did you notice that Him with a capital H and Yahweh designed the same outfit?

Sue: YES! I didn't want to say anything, but come on guys, get some originality! I know last week, Cherly Lynn wore the same dress I did to church! I was mortified!

Sassy: Oh Sue! You know it was bound to happen! There are only two shops in our home town to shop at! And I doubt you'd be buying a dress from the Ace Hardware Store!

Sue: You're right! But I want to see what else these designers have to offer!! Some Pizazz!

Sassy: Well here is another car! It's _____ from the _____ zone! Let's get her!

Sue: Hey _____! Got a second to talk!?!

#3: Umm, I'm running a little late, but sure!

Sassy: Good! So go ahead and tell us, who are wearing?

#3: Messiah made my outfit!

Sue: Messiah! Oh WOW! (sarcastic)

Sassy: Yes very "unique" (use air quotes)

#3: Thanks! I told Him that I wanted something those showed others that I am organized and ready to help where I am needed.

Sue: Generous?

#3: Yes, I am like keeping detailed notes and help keep everyone on task.

Sassy: OH...like that Michelle Tate, she's pretty organized! She and her helpers did a GREAT job keeping this convention rolling!

Sue: I am glad they didn't put me in charge of that! Organization is not my forte! Girl, I am barely doing good to make it to my LWML meeting on time, let alone remember my bible for bible study!

Sassy: Oh me too girl! The ushers at church know that after the bell rings, they keep the door open a little bit longer because I am ZOOMING in to sit in my spot. 3rd pew from the back!

#3: See, but that's the great part of the LWML, ladies! We all have different talents, each that make us unique, and we gather to accomplish one goal, carry out mission work in the fields.

Sue & Sassy: OHHHHH

Sassy: Is that why all of y'all have the same outfits on?

#3: Yes, although we may dress the same on the outside, God gave us many different talents to share with each other and when we work together, each of us bringing in our own talent, the sky is the limit for what we can accomplish

Sue: Isn't there something in the bible about that?

#3: Yes, it is actually our YWR bible verse. It comes from 1 Peter 4:10, "God has given gifts to each of you from His great variety of spiritual gifts."

Sassy: So
