

What can I do to help get more Young Women Involved with LWML?

#1 Find a younger lady in church and befriend her. Start off with normal conversation.

#2 Get to know the young lady

#3 Tell her about this organization that you are apart of. The more excited you are to tell her about it, the more excited she will be to attend a meeting.

#4 If she has children and uses that as an excuse, either arrange for child care for her or have her bring her child with her! *(I have NUMEROUS adoptive auhts and grahdmas through the LWML)*

#5 If she starts to attend, do not overwhelm her with a lot of leadership! Gradually allow her to hold those positions

#6 If she comes in with new ideas be open to it! I promise you, not all new ideas are bad ideas!

#7....biggest one of all...If she tells you no at first, keep trying!
